A new comment has been submitted at socotransmission.com.

COMMENT

Meeting Attended:

Blanca Scoping Meeting

Important Issues:

Health and Safety, Visual / Aesthetic Resources, Proximity to Residences

Property Uses:

Residential

Comment:

Since we are off the grid here and won't be using your power, (this is a choice), Please use the existing power lines path or highway 160. The farther south the better, so our view of Mt. Blanca isn't obstructed.

I-107-001: Visual and Aesthetic (In Review)

Your email/letter/comment form has been received and your comment noted. Potential impacts to visual and aesthetic resources from the proposed project and mitigation measures will be addressed in the Environmental Impact Statement.

The Environmental Impact Statement is anticipated to be completed in late 2010 and will be available at

<http://www.usda.gov/rus/water/ees/ea.htm>.
